

Bahama Mama is a sativa leaning hybrid made by crossing Black Banana and Tropicana Cookies. You will get a quick hitting, energetic and cerebral high that enhances focus and motivation, yet is not racey. Bahama Mama has a strong fragrance of passion fruit and bananas. Add this to your wake and bake rotation. A good daytime herb.

Sativa: 70% Indica: 30%

THC: 18-22% CBG: 1%

Dominant terepene: Lemonene

Rx: Relieves fatigue, depression, and muscle spasms.
