

Gelato, aka Larry Bird, is an evenly balanced hybrid made from Sunset Sherbert and Thin Mint Girl Scout Cookies. This strain produces a euphoric high accompanied by strong feelings of relaxation. You'll be left feeling relaxed, but mentally stimulated and productive. Gelato is sweet and fruity with creamy flavors and aromas. Gelato has reached a legend status among connoisseurs and has been used to make a variety of other high-quality strains. Beginners please use caution.

Sativa: 50% Indica: 50%

THC: 18%

Rx: Pain, fatigue, insomnia.
