

Purple Tic Tac, aka Blueberry Thai, is a sativa dominant hybrid. A cross between X-18 (Pakistani indica) and DTC99 (sativa) by Dutchgrown Seeds. Smooth, creamy flavor with blueberry undertones, and a pleasant, sweet fragrance. Sativa energy boost with indica soothing effects. Wake and bake energy, productivity, and creativity. Stimulating but not overwhelming. Sativa plants each have their own unique qualities, and this is one to try. Caution: this uncommon strain may cause the munchies.

Sativa: 75%      Indica: 25%

THC: 14-18%

Rx: Depression, pain, loss of appetite.
